*"I am so glad to be a part of CFC. A community of people who love Jesus and want to help others in their journey also. I believe we have been blessed to be a blessing, that as Christ has served us and others have told us of His love, we also must pass on this great news of the gospel! As it says in 1 Corinthians 12, we have all been given gifts to bless one another with and build each other up—that we might bear much fruit for the Kingdom of God. God has called us to be salt and light in our community, nation and world, and I can see God raising us up so that He might be glorified in these days..."*

We want to welcome all people who desire to know God more to come and be a part of CFC. We believe that as you do the Holy Spirit will continue to grow and stretch each one of us. If you are committed to this local church and would like to become an official member, please see our [Membership Brochure](#) or talk to one of the leaders here at CFC.

### A Part of...

The **CRC Churches International** (Formerly the 'Christian Revival Crusade') is a Pentecostal movement that began in **1945** and has grown to over 200,000 members. Pastor Leo Harris was the first Chairman of the movement which was based in Adelaide and began during World War II, offering hope to our Nation whose very existence was being threatened. It was birthed with a **passion to reach lost people** with the gospel of Jesus Christ and to crusade for a national Christian revival with a unique Australian approach to ministry...

### Our CRC Vision

- creating Bible-based contemporary local churches and ministries (Acts 1:8)

### Our CRC Mission

His influence throughout the world by; Proclaiming Christ's Gospel... Planting Christ-Centred Churches... Promoting Christ-glorifying Christian Communities... Producing Christ-following Disciples

*"God has given the CRC a wonderful vision to reach the broken of this world, with Christ's message of faith, hope and love... Because people matter to God, they have to matter to us. This is the reason we have set an audacious faith goal to have a CRC presence (not always a CRC Church) in every nation of the world by 2045, the year of our centenary as a movement..."*

**SERVE**

We understand that many in our community today don't see the relevance of Church, but as people who believe Jesus died for us, we want to share that love through service...

**Kids Hope** is a mentoring program we run in partnership with the Colac Primary School. The aim is to get along side children and be another caring adult in their life.

**MOPS** is a ministry to Mums & their pre-school children. Its motto is '*Better Mums make a Better World*'. We also run a full MOPS Kids program for mums to have a break!

**VCC Emergency Ministries** is for church people to be trained and prepared, so we are ready to serve in the event of a bush fire, flood or other emergency in our community and state.

**CONNECT**

As people show a desire to find out more about Jesus we want to connect with them, allowing them to get to know us and begin to discover who Jesus is in a setting that's relevant to them.

A very special part of life at CFC is our **Sunday morning services** where anyone from anywhere can come & hear the gospel preached, join in worship of our Creator God & have fellowship with people who love Jesus. We desire to see new people come, that they would feel welcome & cared for, that they might come back & hear more of the message of hope that we have.

**Life Groups** are one place that any friend, relative, or contact may wish to come & find out more about who we are, what we believe, & who Jesus is.

**Prayer Healing** is a regular time where we come to pray and tune in to God and then pray for those who come for prayer, both people from CFC & others in the community.

**KidzInc** and **Youth** are two programs we aim to connect with kids & youth who are wanting to find out more about Jesus & explore what they believe or simply want to connect.

Our **CFC Blokes** & **CFC Ladies** ministries run various events & social activities to help you connect, AND to invite others!

**GROW**

Jesus final command was to go & make disciples; people that would go & tell others the Good News as well, wherever they go. Our desire is that we all grow in our understanding of God & our ability to communicate that to others...

**Sunday mornings** are not just for connecting to new people, but also for each individual to be touched by God. That by His Holy Spirit, we would be taught, changed & refreshed as we listen to preaching, share communion and worship together.

other, share our struggles and pray with one another. These groups take a number of different formats in the day and night time.

As **Young Adults** who are working, studying & often moving out of home, this is a place to connect & grow together with people in a similar life phase... Studying God's Word, & having a heap of fun just hanging out, getting to know God & each other.

**Impact Youth** (Year 7-12) is all about making disciples of Jesus Christ. As these young people are inspired and empowered to live for God they are encouraged to share their faith, invite other youth to events and Friday nights, that they too might be touched & transformed by the love of God.

Our **CFC Kingdom Business Network** is for anyone in business, to help you think about how & why you are in business, & what it means to be

**GO, MULTIPLY!**

As we are led & equipped by God we want to serve one another here at CFC and beyond! Together we desire to support & encourage one another with our gifts, time & abilities. We want to encourage everyone to use their God given gifts & talents to **share the love of God** where ever they go, in this City, Nation and world for His glory...

Some of the best ways we can be involved here at CFC is by joining one of our ministry teams... Such as;
