Our Mission

"Empowering People, to live and communicate the power of the gospel of our Lord Jesus Christ"

Our Vision

"A welcoming Church for all ages
To connect, grow, worship and encounter God
Being cared for, as we learn to care for others
Believing the Holy Spirit will change individuals lives
...in this city, nation and world for God's glory"

"I am so glad to be a part of CFC. A community of people who love Jesus and want to help others in their journey also. I believe we have been blessed to be a blessing, that as Christ has served us and others have told us of His love, we also **must pass on this great news of the gospel!** As it says in 1 Corinthians 12, we have all been given gifts to bless one another with and build each other up—that we might bear much fruit for the Kingdom of God. God has called us to be **salt and light in our community, nation and world, and I can see God raising us up so that He might be glorified in these days...**"
- Pastor Andrew Cox

A Part of...

The **CRC Churches International** (Formerly the 'Christian Revival Crusade') is a Pentecostal movement that began in **1945** and has grown to over 200,000 members. Pastor Leo Harris was the first Chairman of the movement which was based in Adelaide and began during World War II, offering hope to our Nation whose very existence was being threatened. It was birthed with a **passion to reach lost people** with the gospel of Jesus Christ and to crusade for a national Christian revival with a unique Australian approach to ministry...

Our CRC Vision is to help expand the Kingdom of Jesus Christ on earth by;
- creating Bible-based contemporary local churches and ministries (Acts 1:8)

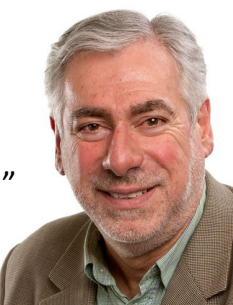

Our CRC Mission is to exalt Jesus Christ in all that we think, say and do, and to extend His influence throughout the world by; Proclaiming Christ's Gospel... Planting Christ-Centred Churches... Promoting Christ-glorifying Christian Communities... Producing Christ-following Disciples

"God has given the CRC a wonderful vision to reach the broken of this world, with Christ's message of faith, hope and love... Because people matter to God, they have to matter to us. This is the reason we have set an audacious faith goal **to have a CRC presence** (not always a CRC Church) in **every nation of the world by 2045**, the year of our centenary as a movement..."

VISION OUTWORKED

Our Mission:

"Empowering People to live + communicate the power of the gospel of our Lord Jesus Christ"

How do we do it...? Sunday Services

CFC Kids

We believe in the **transforming power** of the Word of God, and as we join together to worship God and listen to the word preached each Sunday, lives are changed and hope is found in Jesus Christ!

In 2027 we are launching a **brand new school campus** here in Colac!

Christway College is an exciting new expression of **our mission** to 'empower people to live and communicate the power of the gospel of our Lord Jesus Christ'. Through Christ-centred education, we are investing into future generations — shaping young people to grow in faith, character, purpose, wisdom, and leadership within our community.

One of the best ways to get to know one another & talk about our faith in a way that answers questions & helps us grow is within **Life Groups**. In this smaller setting we can get to know each other, share our struggles and pray with one another.

Kidzinc and **Impact Youth** are two programs we run to connect with kids & youth who are wanting to find out more about Jesus & explore what they believe. These are great, fun programs, but the heart of them both is to help young people discover God's amazing love for them, and to encounter God and be transformed by Him! They both run on **Friday nights**, with various other special events and activities.

As **Young Adults** who are working, studying & often moving out of home, this is a place to connect & grow together with people in a similar life phase... Studying God's Word, & having a heap of fun just hanging out, getting to know God & each other.

MUMCO is a ministry to Mums & their pre-school children. Its motto is 'Better Mums make a Better World'. Mum's get to share together, enjoy talks, craft and morning tea! We also run a full **MumCo Kids** program for mums to have a break!

CFC Blokes is all about helping our men, young and old, connect with each other, that we can encourage and support each other as we grow in Christ. Through Men's breakfasts, trips and events.

CFC Women's Ministry is all about helping our women, young and old, connect with each other, that we can encourage and support each other as we grow in Christ. Through events, trips and activities.

Our Prayer Team meets regular to **pray** and tune in to God, and then make themselves available to pray for those who come for prayer, both people from CFC & others in the community.

Through the year we run all kind of different events such as '**Christmas on the Lawn**' to help us connect with community and bring the hope, light and life of Jesus to our world!
